frontrowMD CLINICIAN ONBOARDING

***Note to shopper**: the clinician below signed up with FrontrowMD. We are providing you with a copy of their responses to validate the authenticity of their agreement to use FrontrowMD and the legitimacy of the information on their personalized discounts page, which is pre-populated with products based on the preferences below and which they can remove at any time. For privacy reasons, the clinician's email is redacted.*

Welcome to FrontrowMD

We're so excited to partner with you! Below is a summary of how things work from here:

1. Fill out this form with your product preferences and personal information
2. Gain access to your discounts page after your medical credentials are verified
3. Receive shipments of free samples that match your preferences
4. Submit your honest reviews
5. Rinse and repeat!

We then make it easy for your favorite health brands to promote how many clinicians are supportive of their product, including your honest reviews, as you can see here.

In other words, patients earn free discounts, you receive free samples, and shoppers finally know what to spend their hard-earned money on.

We can't wait to get you started! Feel free to email us anytime at support@thefrontrowhealth.com if you have questions, or schedule time with us here to chat live.
